

COBB COUNTY GEM AND MINERAL SOCIETY

**OPEN
TO THE PUBLIC**

6th Annual Rock Swap and AUCTION

How Does It Work?

A Rock Swap is a pretty informal thing. You simply bring your stuff. There are two ways to participate. First, you can reserve a space to display your wares. There is a modest fee of \$20.00 for a 10'x10' space. If you are a member of the Cobb County Gem & Mineral Society, the fee is only \$10.00. If you would rather, you can display your stuff from the trunk of your car. In that case, we would request a 10% commission to the club for sponsoring the event.

You don't have to be a member of the CCGMS to participate either as a trader or an interested buyer. We'd love to have you stop by.

To register for a space, or to display from your car, it is important for you to contact Bob Hohn to reserve a spot. robert_hohn@comcast.net
