DEALERS WANTED

E-mail Bob Hohn: ROBERT_HOHN@comcast.net

Everyone is welcome to attend and participate. This is a wonderful opportunity to get to know other members of our club and other clubs. You can deplete unwanted inventory, earn extra cash and gain new material for your collection. What more could you ask for?

Booth spaces are approximately 10' x 10'. A fee of \$20 will be charged. Setups are the responsibility of the individual. Setups must be completed by 10 a.m. and are assigned on a first come/first serve basis.

Booth renters can bring any lapidary items you wish to swap or sell. All gem and mineral club members, family and friends, dealers and the general public are welcome to rent a booth space.

You do not have to rent a booth to participate. You can bring any lapidary items you wish to swap, trade or sell. The only cost to you is what transpires between you and the person you're negotiating with. We do ask you to keep track of the value of the swap and donate 10% at the administration desk.

Other CCGMS activities:

AUCTIONS: There will be two auctions to be held. The first one will be held at 11am the 2nd will take place at 2pm. They will be short so not to interfere with the swap too much. The material will be well worth your attendance!

Geode cracking

Hot dogs, chips & drinks for a nominal fee. Please come hungry!
